Overview

[top](#)

Yellowfin allows user to create scheduled reports. In some instances as the administrator you will want to delete redundant schedule items. From the admin panel you will be able to view and delete all scheduled tasks without the need to open each task individually.

To access the schedule list go to **Administration > Admin Console > Schedule Management**.

View Schedules

[top](#)

The schedule list allows you to search, view, edit, pause, run, and delete scheduled tasks.

Type ▾	Schedule ▲	Last Run ▲
☐  Broadcast	Media Category Profit	Never
